An ENSA Memorial Appeal

• CAN YOU HELP

- We need individuals or groups of people to help us raise the monies we need to deliver the memorial.

Could you organise a fund raising event/s for us. However, large or small your support would be very much appreciated.

We also welcome volunteers to help man our stalls at various events around the country.

This fantastically informative book is now available from our stall at various events or from leading book retailers or Amazon. All proceeds to the appeal.
